

They'll say stuff like, "That gap is nice", and "I want him to show me more of his true colour!"

Well, I understand.

He's always seemed cold and scary. So if he does anything kind, the girls' hearts skip a beat. I get where they're coming from, though.

Recently, the atmosphere around him has changed. He's been showing softer expressions.

I wonder what it is... this... gloomy feeling...

...but,

JUST... WHEN DID I BECOME THAT PETTY...?

SHULINA.

...I never cared. However...

Up until now, when my girlfriend talked to guys, or flirted with others,

WOW...  
THIS  
WOMAN...  
SHE'S  
REALLY  
AIMING  
FOR HIM,  
HUSA.

OH, ARE  
YOU TWO  
ALSO  
GOING  
OUT FOR  
LUNCH  
RIGHT  
NOW?

AH.

FOOD.

WOAH! DID  
YOU NEED  
SOMETHING?

WHERE  
SHOULD WE  
GO? TSUKU-  
MEN OR  
SOMETHING?

INVITE ME  
NEXT TIME,  
OKAY?

SORRY.

IS THAT  
SO...? WHAT A  
SHAME!

...ARE WE  
HAVING A  
MEETING?

WE'RE  
NOT, YOU  
IDiot. DON'T  
YOU GET  
IT?

NO,

IT'S A  
MEETING  
FOR WORK.

YOU'RE SO  
SHOWY,

I CAN'T JUST  
CALL YOU OUT  
LIKE THAT.

...SO  
ANNOYING.

This is  
another first.  
I guess it's  
fine.

HUH?

I'M NOT  
JEALOUS,  
OH.

I FEEL THE  
SAME WAY,  
HAYASHIDA-SAN.  
I GET JEALOUS,  
YOU KNOW.

...ME  
TOO.

I didn't  
think I  
was the  
type who  
got  
jealous.
